To facilitate academic and teaching staff' knowledge and skills in supporting the critical thinking development of students, LTTC collaborated with academic departments and General Education Office (GEO) to produce an online package for the introduction of critical thinking development. Relevant learning and teaching materials and videos of teachers guiding and motivating students to develop their critical thinking skills through various teaching strategies were included in the online learning package:

Topic	Speaker
思維的理論與教學	Dr. Szeto Sau May, CHL
Critical Thinking	Dr. Tamara Savelyeva, IELL
Child Poverty in Hong Kong	Dr. Cheng Hiu Fai Kell, MIT
Global, National and Local Identities	Dr. Lo Tin Yiu Joe, GEO
