ePortfolio

You will begin to construct a personalized ePortfolio in GE using Google Site or Sway, which will eventually become a major item of assessment for the University ePortfolio course.

Your ePortfolio in the General Education Foundation Course will include:

(a) A profile view;

(b) The uploading of the completed individual essay in MS Word format;

(c) The uploading of a completed 1,000-word reflective entry;

(d) The uploading of the PowerPoint slides of group presentation;

(e) Other (relevant) items or features (such as pictures or video records of your learning experiences)
